

CNC Precision Machined Components Brass Aerospace

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Application: Automotive, Aerospace, Medical, Etc.
- OEM/ODM: Acceptable
- Packaging: Standard Export Carton Or Customized
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Size: Customized
- Material: Aluminum, Steel, Brass, Etc.
- MOQ: 1 Piece
- Highlight: **CNC Precision Machined Components, Brass Precision Machined Components**

Product Description

Product Description:

CNC machined parts are precision machined components manufactured through numerical control (NC) machining. Our CNC machining capabilities include milling, drilling, turning, and tapping. With the use of advanced CNC machinery, we can machine complex parts with tight tolerances and intricate details with high precision. Our CNC-manufactured components can be used in a variety of industries, including automotive, aerospace, medical, and industrial.

At our facility, we use the latest CNC technology to ensure the highest quality Numerically-controlled machining parts. Our experienced team of engineers is dedicated to providing customers with the best services and quality components. We offer a variety of surface treatments, including anodizing, plating, and painting. We also have a highly skilled design team that can customize parts to your exact specifications.

We are committed to providing our customers the best service possible and strive to meet their requirements. With our fast lead time of 7-15 days and competitive pricing, we offer the best value for your money. We offer flexible delivery methods that include DHL, FedEx, UPS, and more. And with our minimum order quantity of 1 piece, we can provide customized solutions for your specific needs.

At our facility, we are proud to offer OEM/ODM services. Our experienced team of technicians and engineers are highly skilled in designing and machining custom parts for your exact applications. We are dedicated to providing customers with the highest quality Precision machined parts and excellent customer services.

Features:

Product Name: **CNC Machined Parts**

Packaging: **Standard Export Carton Or Customized**

OEM/ODM: **Acceptable**

Tolerance: **±0.01mm**

Surface Treatment: **Anodizing, Plating, Painting, Etc.**

Lead Time: **7-15 Days**

Features:

CNC-machined components

Computer-controlled machining parts

Computer-aided machining parts

Technical Parameters:

Parameter	Details
Packaging	Standard Export Carton Or Customized
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Quality Control	100% Inspection Before Shipment
Size	Customized
Surface Treatment	Anodizing, Plating, Painting, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
MOQ	1 Piece
Tolerance	±0.01mm
OEM/ODM	Acceptable
Material	Aluminum, Steel, Brass, Etc.
CNC Machined Components	Computer-Aided Machining Parts

Applications:

CNC Machined Parts, produced by **Brand Name: yuanwenyu**, with Model Number: 1X893, OEM, are widely used in Automotive, Aerospace, Medical and various industrial sectors. With its excellent quality control of 100% Inspection Before Shipment, CNC Machined Parts offer customers a cost-effective solution for their numerically-controlled machining, computerized numerical cutting, computer-aided manufacturing, automated production needs. It is certified and has a minimum order quantity of 50 pieces. The price for CNC Machined Parts range from \$2.35 to \$12.68 per pieces and they come with EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton packaging. The Lead Time for CNC Machined Parts is 7-15 Days, with a Supply Ability of 1000000 Piece/Pieces per Month. The minimum order quantity for CNC Machined Parts is 1 Piece.

Customization:

Custom CNC Machined Parts:

Brand Name: yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China

Certification: 1

Minimum Order Quantity: 50 pieces

Price: \$2.35 - \$12.68/pieces

Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton

Delivery Time: 1

Payment Terms: 1

Supply Ability: 1000000 Piece/Pieces per Month

Packaging: Standard Export Carton Or Customized

Size: Customized

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Quality Control: 100% Inspection Before Shipment

Surface Treatment: Anodizing, Plating, Painting, Etc.

Our CNC-machined components are custom manufactured to your exact specifications. We provide high-precision CNC-manufactured components that are manufactured with the highest quality materials and craftsmanship. Our CNC-machined components are designed to meet your exact requirements, ensuring the highest levels of accuracy and reliability in all of our products.

Support and Services:

Technical Support and Service for CNC Machined Parts

We offer technical support and service for CNC machined parts, which includes:

Providing expertise on material selection and design for CNC machined parts

Providing professional advice on machining and assembly

Assisting with troubleshooting on machining processes

Providing on-site or remote service to inspect and debug CNC machined parts

Packing and Shipping:

Packaging and Shipping for CNC Machined Parts:

The product will be packaged in a cardboard box for protection.

The cardboard box will be labeled with the product name and shipping address.

The box will be sealed with adhesive tape for added protection.

The product will be shipped using a reliable courier service.

FAQ:

Q1: What is CNC Machined Parts?

A1: CNC Machined Parts are parts manufactured using CNC (Computer Numerically Controlled) machines, which are used to create a variety of components and products according to custom specifications.

Q2: What is the Brand Name of CNC Machined Parts?

A2: The Brand Name of CNC Machined Parts is yuanwenyu.

Q3: What is the Model Number of the CNC Machined Parts?

A3: The Model Number of the CNC Machined Parts is 1X893, OEM.

Q4: What is the Minimum Order Quantity of the CNC Machined Parts?

A4: The Minimum Order Quantity of the CNC Machined Parts is 50 pieces.

Q5: What is the Price of the CNC Machined Parts?

A5: The Price of the CNC Machined Parts is \$2.35 - \$12.68/pieces.
