

Plated Precision Milling Parts Industrial Automotive

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Coating: Powder Coating, Zinc Plating, Etc.
- Processing Method: CNC Milling
- Service: OEM/ODM
- Precision: High Precision
- Application: Industrial, Automotive, Etc.
- Equipment: CNC Milling Machine
- Tolerance: $\pm 0.01\text{mm}$
- Size: Customized
- Highlight: **Plated Precision Milling Parts, Industrial Precision Milling Parts**

Product Description

Product Description:

CNC Milling Parts, also known as numerically controlled machining parts, are precision-machined parts that are made through the process of CNC machining. CNC Milling Parts are capable of achieving high precision, with a tolerance of $\pm 0.01\text{mm}$, and a lead time of 7-15 days. We offer CNC Milling Parts made of a variety of materials, such as aluminum, steel, stainless steel, and more, in custom sizes. We prioritize quality, and our CNC Milling Parts are highly precise and reliable for various applications.

Features:

Product Name: CNC Milling Parts, Computer Programmed Machining Parts, Computer Numerical Control Milling Parts

Tolerance: $\pm 0.01\text{mm}$

Surface Finish: Polishing, Anodizing, Plating, Etc.

Precision: High Precision

Coating: Powder Coating, Zinc Plating, Etc.

Packaging: Carton, Wooden Case, Etc.

Technical Parameters:

Equipment	CNC Milling Machine
Precision	High Precision
Tolerance	$\pm 0.01\text{mm}$
Packaging	Carton, Wooden Case, Etc.
Coating	Powder Coating, Zinc Plating, Etc.
Material	Aluminum, Steel, Stainless Steel, Etc.
Surface Finish	Polishing, Anodizing, Plating, Etc.
Application	Industrial, Automotive, Etc.
Processing Method	CNC Milling
Lead Time	7-15 Days
Keywords	Computer Aided Machining Parts, Numerically Controlled Milling Parts, CNC Milling Parts

Applications:

CNC Milling Parts Application

Ywy CNC Milling parts with model number cnc101, manufactured by Guangdonghuizhou, have a 7-15 days lead time and tolerance of $\pm 0.01\text{mm}$, offering high precision and customized size. Ywy CNC milling parts are widely used in Computer Aided Machining Parts, Automotive Parts and Aerospace Parts for OEM/ODM service.

Customization:

We offer custom-made **Numerically Controlled Milling Parts**, with high precision and excellent quality. Our **Precision Milling Parts** are made from high quality materials and produced using advanced **CNC Milling** machinery. Our CNC Milling Parts can be customized to meet your specific needs. Brand Name: ywy, Model Number: cnc101, Place of Origin: guangdonghuizhou, Surface Finish: Polishing, Anodizing, Plating, Etc., Size: Customized, Equipment: CNC Milling Machine, Precision: High Precision, Processing Method: CNC Milling.

Support and Services:

CNC Milling Parts Technical Support and Service

We provide technical support and service for our CNC Milling Parts. Our support team is available to answer your questions and provide guidance to ensure that you are completely satisfied with your product. Our technical support representatives are knowledgeable and experienced in the industry.

We have a dedicated customer service team who is ready to help you with any issues or questions you may have about our CNC Milling Parts. We are committed to providing you with the highest level of service and support.

If you need assistance with any of our CNC Milling Parts, please do not hesitate to contact us. We are here to help you with all your technical needs.
