

Stainless Steel Aluminum CNC Turning Milling Parts Tolerance $\pm 0.01\text{mm}$

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- Product Size: Customized
- Lead Time: 7-15 Days
- Shipping: Express, Air, Sea
- Material: Stainless Steel, Aluminum, Brass, Etc.
- Application: Automotive, Aerospace, Etc.
- Package: Carton, Wooden Case, Etc.
- OEM/ODM: Accept
- Highlight: **CNC Turning Milling Parts Stainless Steel, Aluminum CNC Turning Milling Parts**

Product Description

Product Description:

CNC Turning Milling Parts are custom-made products, with product size and tolerance customizable to meet the specific requirements of customers. The tolerance of CNC Turning Milling Parts can reach up to $\pm 0.01\text{mm}$. The lead time of CNC Turning Milling Parts is usually 7-15 days, and the processing method is CNC Turning Milling. Customers can provide drawings in various formats, such as PDF, IGS, STP, DWG, etc. CNC Turning Machining Parts, CNC Turning Manufacturing Parts, and CNC Milling Process Parts are all available, which can meet the needs of different customers.

Features:

Product Name: CNC Turning Milling Parts

Processing Method: CNC Turning Milling

Package: Carton, Wooden Case, Etc.

Lead Time: 7-15 Days

Drawing Format: PDF, IGS, STP, DWG, Etc.

OEM/ODM: Accept

Specializing In: CNC Milling Manufacturing Parts, CNC Turning Fabricated Parts, CNC Milling Process Parts

Technical Parameters:

Attributes	Details
Application	Automotive, Aerospace, Etc.
Processing Method	CNC Turning Milling
Material	Stainless Steel, Aluminum, Brass, Etc.
OEM/ODM	Accept
Shipping	Express, Air, Sea
Package	Carton, Wooden Case, Etc.
MOQ	1 Piece
Drawing Format	PDF, IGS, STP, DWG, Etc.
Lead Time	7-15 Days
Product Size	Customized
Keywords	CNC Turning Manufactured Parts, CNC Milling Manufacturing Parts, CNC Turning Machining Parts, CNC Milling Machined Parts, CNC Turned Parts, CNC Milled Parts.

Applications:

CNC Turning Milling Parts, made by ywy, with model number cnc202, are widely used in various industries. These parts are made of various materials such as stainless steel, aluminum, brass and so on. These parts have advantages of high precision and fast delivery. The surface treatment includes polishing, anodizing, zinc plating and other processes. The processing method is mainly CNC turning milling. The package is generally carton and wooden case.

CNC Turning Milling Parts can be widely used in mechanical equipment, construction industry, aerospace industry, automotive industry, military industry and other fields. In the mechanical equipment industry, CNC Turning Milling Parts can be used to produce various machine tools, automobiles, agricultural machinery and other equipment. In the construction industry, CNC Turning Milling Parts can be used to make various building components, such as doors and windows, pillars, beams, etc. In the aerospace industry, CNC Turning Milling Parts can be used to make various aircraft components and engines. In the automotive industry, CNC Turning Milling Parts can be used to make various parts for cars, such as engines, gearboxes, suspension systems, etc. In the military industry, CNC Turning Milling Parts can be used to make weapons and military equipment.

CNC Turning Milling Parts, made by ywy, with model number cnc202, are of great importance for different industries. The advantages of these parts include high precision, fast delivery and customization. These CNC Turning Milling Parts can be customized according to customers' requirements, including material, surface treatment, size and other requirements. With a wide range of applications, CNC Turning Milling Parts can be used in various fields to meet different needs.

Customization:

Customized CNC Turning Milling Parts by ywy

Brand Name: ywy
Model Number: cnc202
Place of Origin: guangdonghuizhou
Application: Automotive, Aerospace, Etc.
OEM/ODM: Accept
Tolerance: $\pm 0.01\text{mm}$
Processing Method: CNC Turning Milling
Lead Time: 7-15 Days
Features:
CNC Milling Fabricated Parts
CNC Turning Machining Parts
CNC Milling Process Parts

Support and Services:

Technical Support and Services for CNC Turning Milling Parts

At ABC Manufacturing, we provide comprehensive technical support and services for CNC Turning Milling Parts. Our experienced staff has the expertise to ensure that you get the best possible product for your application.

Our technical support services include:

- Design and engineering assistance
- On-site installation and training
- Troubleshooting and repair services
- Custom manufacturing of replacement parts
- Ongoing maintenance and support

We are committed to providing our customers with the highest quality products and services. If you have any questions or would like to learn more about our CNC Turning Milling Parts, please contact us today!
