

Customized CNC Stainless Steel Parts 100% Inspection

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Inspection: 100% Inspection
- OEM/ODM: Acceptable
- Material: Stainless Steel
- Size: Customized
- MOQ: 1 Piece
- Lead Time: 7-15 Days
- Tolerance: $\pm 0.01\text{mm}$
- Shipping: By Sea/Air/Express
- Highlight: **CNC Stainless Steel Parts Customized, NC Stainless Steel Parts 100% Inspection**

Product Description

Product Description:

CNC Stainless Steel Parts are precision parts made from stainless steel, with high precision, excellent performance and long service life. It is manufactured by advanced CNC machining technology to meet the highest standards of quality. Its size and shape can be customized according to the customer's requirements. It is packaged with carton or wooden box for maximum protection. Both OEM/ODM are acceptable and it can be shipped by sea, air or express with tolerance of $\pm 0.01\text{mm}$. Our CNC Stainless Steel Parts are widely used in the fields of medical, aerospace, automotive, and so on. It is your ideal choice for high precision stainless steel components.

Features:

Product Name: CNC Stainless Steel Parts
Drawing Format: PDF/DWG/IGS/STP
Material: Stainless Steel
Shipping: By Sea/Air/Express
Application: Industrial Equipment
OEM/ODM: Acceptable
Stainless Steel Precision Part
CNC Stainless Steel Machining
Stainless Steel CNC Component

Technical Parameters:

Property	Value
Inspection	100% Inspection
Drawing Format	PDF/DWG/IGS/STP
Processing Method	CNC Machining
Material	Stainless Steel
Tolerance	$\pm 0.01\text{mm}$
Application	Industrial Equipment
Package	Carton/Wooden Box
OEM/ODM	Acceptable
Shipping	By Sea/Air/Express
Surface Treatment	Polishing
MOQ	1 Piece
Keywords	CNC Stainless Steel Machining, Stainless Steel Machined Part, High Quality Stainless Steel Part

Applications:

Ywy CNC Stainless Steel Parts for Industrial Equipment

YWY provides CNC stainless steel parts with high precision and quality for use in industrial equipment. Our stainless steel parts are made of high quality stainless steel material, with surface treatment such as polishing and other treatments. These CNC stainless steel parts are widely used for industrial equipment. Our CNC stainless steel parts are available in various sizes and shapes and can be customized according to customer requirements.

Our CNC stainless steel parts have the following features:

Brand Name: Ywy

Model Number: cnc303

Place of Origin: Guangdong, Huizhou

Material: Stainless Steel

Surface Treatment: Polishing

Application: Industrial Equipment

MOQ: 1 Piece

Drawing Format: PDF/DWG/IGS/STP

We provide a full range of stainless steel CNC component, CNC stainless steel fabrication and stainless steel machined parts services. Our experienced staff can provide technical support and guidance to ensure the best possible solutions for your stainless steel machining needs. We guarantee the highest quality and fastest turnaround times on all our CNC stainless steel parts orders.

Customization:

Customized CNC Stainless Steel Parts

Product Attributes:

Brand Name: ywy

Model Number: cnc303

Place of Origin: guangdonghuizhou

Size: Customized

Processing Method: CNC Machining

Application: Industrial Equipment

MOQ: 1 Piece

Material: Stainless Steel

Our customized CNC stainless steel parts are of **high quality**. We use advanced **CNC machining** to create **stainless steel machined parts** for industrial equipment. Minimum order quantity is 1 piece, and size is customizable.

Support and Services:

CNC stainless steel parts provide technical support and services to ensure that customers receive the highest quality product. Our support team is available to answer any questions you may have, provide troubleshooting assistance, and provide product updates. We also offer a wide range of services, including custom fabrication, installation, and maintenance. We are committed to providing the best customer service possible, and our team is always available to help you find the perfect solution for your application.
